15. (Internal Use Only - LLM) Called Ted Kazy, Senior Staff Assistant, House Post Office and Civil Service Committee, on the status of the Fair Labor Standards Act amendments, H. R. 7130, which among other things would extend the coverage of that Act to minimum wage and overtime for Federal employees (see Journal of 12 January 1972). Kazy said that Chairman Dulski had written Chairman Perkins, Education and Labor Committee, requesting that those Federal employee provisions be struck from the bill on the basis of jurisdiction with no effect and is scheduled to appear before the Rules Committee to request a rule permitting a point of order to be made against these provisions when the measure comes to the floor for a vote. Failing this, Representative David Henderson (D., N. C.) will probably propose an amendment to strike the provisions. In response to my query, Mr. Kazy said that the "informal clearance" given to the Education and Labor Committee by the Civil Service Commission had evaporated and Chairman Hamilton, Employee Benefits Subcommittee, has stated his opposition in writing.

Mr. Kazy said that the Committee was still having difficulty in getting a quorum together on the Ervin bill, H. R. 11150.

With respect to the Federal Executive Service bill, H. R. 3807, Kazy said that Committee interest in the bill appeared to be waning.

19. (Internal Use Only - JGO) Talked to Mrs. Gerry Myers, House Post Office and Civil Service Committee staff, who filled me in on the details of the abortive Committee meeting on Thursday. Although 14 members were present, two left before the meeting could be started and a quorum was not present for conduct of business. The Hanley bill, relating to the protection of constitutional rights of Federal employees, remains the lead item on the agenda. Next meeting of the full Committee is scheduled for Thursday, 18 May 1972.
